Welcome Home Class of 1995

October was a month filled with excitement and pride for Titans. On October 10, during the Homecoming Game against the Sweetwater Red Devils, hundreds of Titan cheerleaders took position on the sidelines ready to rile the crowd: the catch? Some of these cheerleaders graduated close to 30 years ago!

Donning their original Titan regalia, members of the Classes of '95, '96, '97, and '98 proudly took on the crowd with smiles on their faces, calling out some of the original chants that were used to open our school in 1992. Joined by current Varsity cheerleaders, it was a truly magical moment to see 30 years of Eastlake spirit in the flesh. These Titans were integral in building the Eastlake High School that we've all come to know and love, and it was an honor to see them squeeze time from their busy schedules to keep our community spirit alive.
